

**Casa Colina Hospital and Centers for Healthcare
Occupational Therapy Fellowship Application**

Name of Applicant:

Date of Application:

Please provide a cover letter introducing yourself and the following for your application:

- Curriculum Vitae/Resume
- Two letters of recommendation: If a recent graduate, one should be from a fieldwork coordinator and one from an individual of your choice. We suggest that the letters of recommendation be from individuals who are able to comment on your clinical practice and research capabilities or potential.
- Complete Three Applicant Questions:
 1. Please describe your experiences in Neuro rehabilitation. Include any coursework, specialized training, and/or research experiences that you have been involved in. (250 word limit)
 2. What do you wish to gain by participating in an occupational therapy physical rehabilitation fellowship program? (250 word limit)
 3. Please tell us your long-term neurological occupational therapy professional goals and how being part of the Casa Colina Physical Rehabilitation Fellowship will promote these goals. (250 word limit)

You may respond to questions in a Word document and include this form along with your curriculum vitae/resume and 2 letters of reference by **April 1st** of the year you are applying to the fellowship. You may save all items into one PDF file or attach as individual files. Send to:
