

NEUROLOGIC PHYSICAL THERAPY RESIDENCY PROGRAM APPLICATION & INTERVIEW

Thank you for your interest in the **Neurologic Physical Therapy Residency Program at Casa Colina**. To apply for the residency, please send a **completed application** (electronically or by US Mail) by **May 1st** to:

Cathy Timple, PT, DPT, NCS, ATP
Program Director; Neurologic Residency Program
Casa Colina Centers for Rehabilitation
255 E. Bonita Ave.
Pomona, CA 91769
ctimple@casacolina.org

Applicants must meet the following minimum requirements

1. Maintain a valid California Physical Therapy License (must have PT License Applicant status or PT Licensure in CA by July 29, 2013)
2. Maintain a current CPR and First Aid certification
3. Completed at least 6 months of clinical practice in a neurologic setting in the last year ***or*** one clinical affiliation as a student in a neurologic setting (if a recent graduate).
4. Comply with all Casa Colina employment requirements.

Completed applications will consist of the following

1. Cover letter
 - a. Please introduce yourself and respond to the following questions
 - i. What is the role of a residency program in the development of the physical therapy profession and how does this relate to APTA's vision 2020?
 - ii. What specific skills do you possess that make you an ideal candidate for a residency program?
2. Curriculum Vitae
3. 2 Letters of Recommendation (see attachment). Letters should be included with your application, please do not send them separately.
4. A short video-clip (not to exceed 10-minutes) of you providing direct patient care. Videos should be sent on a DVD compatible with Mac or a PC.

Top candidates will be selected for an **in-person** interview on May 29th. The interview will consist of a live patient examination, documentation and panel interview. You will be contacted by May 3rd to confirm your availability for an interview.

Final candidates will be confirmed by June 1st. Didactic education begins at the end of June and you must be in the Los Angeles area by July 29, 2013.
