# Casa Colina Hospital Outpatient Center

## Missed Appointment and Late Policy

Here at Casa Colina's Outpatient Center each patient is important to us and for this reason *we request that patients do their best to attend all scheduled appointments*. We realize that occasionally an appointment needs to be cancelled and we request that all cancellations be made at least 24 hours in advance of the appointment time.

**Cancelled or Missed Appointments:** If you cancel your appointment within 24 hours or no-show for an appointment you will be charged a \$10.00 fee. A pattern of poor attendance over the course of your treatment will result in the cancellation of your future appointments. You may need to return to your physician before additional appointments are scheduled. A new prescription for services may be required.

\_\_\_\_\_

Initial

In some cases there will be a charge for missed appointments regardless of cancellation notification.

**Late Appointments:** If you arrive late for a therapy session, every attempt will be made to accommodate you. However, the appointment may be rescheduled to the next available opening on the therapists' schedule. If you arrive 15 minutes late or later for a 30 or 45 minute therapy appointment, or 30 minutes late for a 60 minute therapy appointment you may be given the option of attending the remainder of the treatment or rescheduling to another time (all applicable co-payments and cancellation fees will apply regardless of length of treatment).

*Thank you for choosing Casa Colina Outpatient Center. We appreciate your understanding and cooperation in achieving our mutual goal of maximizing the benefits of your outpatient therapy.*
